TOWN OF BUXTON

I

ANNUAL REPORT
OF THE
MUNICIPAL OFFICERS
OF THE
TOWN OF BUXTON
MAINE

NOTICE TO DOG OWNERS

Your 1950 dog license will be due and payable April 1st. If unpaid by June 1st you will be notified by mail and an extra fee of 85c added, then if unpaid you may be summoned into Court, which will cost you several times the amount of the license.

Do not look for any collector to call, this is a license, not a tax, and it is up to you to see that it is paid.

Revised Statutes, Chapter 5, as amended to 1942.

H. F. BENT, PRINTER
Gorham, Maine

AUDITOR'S REPORT**CORPORATION AUDIT COMPANY****Portland, Maine**

February 11, 1950.

To the Inhabitants of the Town of Buxton, Maine:

To the Inhabitants of the Town of Buxton, Maine:

At the request of your municipal officers and in compliance with Chapter 80, Section 116, Revised Statute, 1944, of the State of Maine, we have made a detailed audit for the year commencing February 10, 1949, and ending February 10, 1950.

The town warrants for annual and all special town meetings for the year 1950 has been checked and the clerk's records of the proceedings of said meetings has been checked to verify the monies granted and raised and the records of the assessors, tax collector, treasurer, superintendent of school, and the heads of all departments have been checked in detail so as to correctly reflect a true and correct view of the state of the town's affairs. The records, vouchers, warrants, receipts, trust funds, licenses, and tax deeds were verified and such adjustments as were recommended have been made. The expenditures were those authorized by the town warrant. The records of the assessors, tax collector, treasurer, were verified in detail. An analysis of the surplus at the beginning and the close of the year with such adjustments as required and the receipts and expenditures correctly reflect the cash balance and the accounts of all the officers and of all those associated with any of the departments are in my opinion true and correct.

We wish to express our appreciation for the assistance given us in our annual audit by the municipal officers of the town of Buxton.

CORPORATION AUDIT CO.,**SETH W. NORWOOD,**
Auditor and Legal Adviser.

REPORT OF ROAD SURVEY COMMITTEE

Formation of the Committee

In the 1949 town meeting the citizens of Buxton voted for Article 32 and Article 33 of the town warrant. These articles called for a committee of seven, consisting of three selectmen, and four others, to be selected from the floor, to make a survey of the unimproved roads in Buxton for the purpose of determining a long range program of permanent road construction in the whole town. The committee was granted the sum of \$5,000.00 to use as a start on this project.

Procedure Adopted

The committee, consisting of W. Bruce, E. Emery, F. Hannaford, K. Knight, F. Smith, J. Trott, and C. Waterman, adopted a procedure for impartially classifying the roads to establish a priority for improvement without prejudice or favor. The formula was one suggested by the State highway commission, and classed each road on a point basis, taking into consideration general travel, number of houses, number of businesses, school bus routes, mail carrier routes, and summer residences.

Results of the Survey

Road	Mileage	Points Received
S. A. No. 4,	.65	799.2
Bar Mills to Joy Valley,	3.4	597.1
Chicopee Road,	2.6	434.4
Towle Street,	.6	431.6
Rankin Road,	2.3	289
Old Orchard Road,	1.8	282.4
Skip Road,	1.0	215.8
Union Road,	2.6	204
Egypt Road (W. Buxton end),	.7	54.8
Standish Road,	.6	175
Warren Road (S. A. No. 1),	1.0	162.8
Back Road to Groveville,	.9	149.4
Robert's Corner to Scarboro Corner,	2.4	133
Back Nippen Road,	1.5	132.8
Town Farm Road,	1.5	99

Arthur Weeman Road,	.4	83
Old Road to West Buxton,	.5	83
Nigger City to Tory Hill,	.7	83
Callahan Road,	1.1	83
S. A. No. 10 (Hague Road),	1.6	83
Townsend Road (W. Buxton),	2.0	83
County Road,	1.6	76
Walter Haines (C. Donnell Road),	1.5	66.4
Davis Corner to George Rounds,	1.7	66.4
Townsend Road,	.4	65.4
Egypt Road (W. Buxton end)	.7	54.8
Duck Pond Road,	.5	48.9
J. R. Libby Road,	.4	49.8
Will Savage,	.6	49.8
George Deering Road,	1.0	49.8
Merrill Road,	1.1	49.8
Reynold Road,	1.2	49.8
Chicopee to Cabbage Yard,	.5	39.8
Sawyer Road,	.2	33.2
Pinder Road,	.3	33.2
Churchill Road,	.7	33.2
Charles Webster Road,	.9	33.2
Ramsey Road,	1.5	33.2
Tom Harmon Road,	.2	16.6
Clint Emery to Gorham Place,	.2	0
Harry Coe Road,	.3	0
Trundy Spring,	2.0	0

Action Taken

Using the results of the survey for priority, the committee further voted unanimously to use part of the \$5,000.00 granted to complete the road from R. Waterman to State aid No. 4. Disposition of the \$5,000.00 was as follows:

Snell Road, State aid No. 3,	\$3,468.48
Waterman Road, State aid No. 12,	1,074.28
Waterman Road, State aid No. 4,	457.24
	<hr/> \$5,000.00

Recommendation

Your committee recommends that a long range program of

improvement in permanent road construction be established, using the results of the survey for a priority list in completing the roads of the town with a permanent surface. Once improved by applying a permanent surface the majority of the roads in the town are maintained by the State highway commission.

Proposed Article for Town Warrant

To see how much the town will vote to grant and raise for permanent road construction in the whole town, using the results of the survey made by the road survey committee as a priority list for sequence of building.

LITTLE RIVER 4-H CLUB

THIMBLE 4-H CLUB

There are eight members in the Little River 4-H Club run by Mrs. Elsie Libby.

The Woodwork 4-H Club also has six members all taking the Home Improvement project. This club was highest scoring club in the county for last year. This is run by Albert Libby.

The Little River Club was second highest scoring club in York County last year. These two clubs took first place in almost every project taken by the members.

The money that the town donated was divided equally among the members.

MRS. ELSIE LIBBY,

ALBERT H. LIBBY.

DANCING DAISIES CLUB OF DUCK POND AND GROVEVILLE

There were twenty boys and girls enrolled in the club this year. They completed twenty-six projects as follows:

Factory beans, one; canning, two; chicks, four; dairy, three; pig raising, two; sewing, five; lambs, two; garden, one; rabbits, one; woodworking or home improvement, two; food preparation, three.

Prizes were awarded to the following after a small amount was taken out to pay towards Verena Merrill's expenses to State 4-H Camp at Orono:

Jean Deering, Phyllis Walker, George Deering, Arlene Owen, Arlene Deering, Robert Deering, George Davis, Roberta Harris, Verena Merrill, Keith Leavitt, Jane Bumpus, Roberta Bumpus, Margaret Patrick, Richard Churchill, Donald Churchill, Winburn Cram, Donna Dunphy, Justin Merrill, Sally Huff, Carol Cram.

LENA OWEN, Leader,

ANNUAL REPORT OF PUBLIC HEALTH NURSE

The Buxton Health Council has had a busy year. This keeps your nurse busy also.

Three Child Health Conferences were held this past summer; 49 children under six years of age attended. Physical examinations were given by Dr. Ernst Eppinger. Six children completed their immunizations against whooping cough, diphtheria, and tetanus, and 17 were vaccinated against smallpox.

In July, Mrs. Suzanne Bonney, dental hygienist for the Department of Health and Welfare, examined the teeth of 85 children ages 7 to 10 and applied sodium fluoride to them; 81 children completed the series of 4 treatments which is the number necessary to provide full benefit. Each year we hope to have the treatments for these two age groups and when this year's 10 year olds are 13, add the 13 year olds. This is a very worthwhile project.

Mrs. Bonney feels that mouth health education is needed in your schools. Shall we aim for this in the near future?

The hearing of 267 pupils fourth grade and up through high school was tested with the audiometer in November. Parents of children with a hearing defect of 9% or more were notified by the teacher. It is hoped that the causes of the hearing difficulties may be found and corrected.

One hundred students were given physical examinations by Dr. Eppinger this fall. This included examination of urine. Pupils in grades 1-4-7-10 and the athletes were offered this opportunity.

Your Health Council has planned and helped with each of these programs. Transportation of 85 children 4 times to Bar Mills in the summertime for sodium fluoride treatments was without doubt the most trying and time-consuming. I mention this as an example to show you what the women of your community are willing to do to help keep the children of Buxton well. We should all let them know how much we appreciate their interest and services.

Home visits have been made to expectant mothers, mothers of infants, and pre-school children to assist with any health problems. Consultation service is offered your teachers. Health problems of school children are discussed with teachers and

parents.

Our Crippled Children's Clinic is giving service to Buxton children.

May 1950 bring a continuation of programs already started as well as worthwhile new ones. We should think seriously about a clinic for immunization against diphtheria and smallpox for your school children as well as the mouth health education program.

Respectfully submitted,

MAREA G. LUNDBERG,
Field Nurse.

PUBLIC HEALTH NURSE

Town appropriation,	\$300.00
Paid State treasurer,	\$300.00

SCHOOL CLINIC

Bar Mills, Maine

BUXTON-HOLLIS HOSPITAL, INC.

- During the year of 1949, two patients received free bed service. One patient received one day's care amounting to \$8.00. The other patient received thirty-four days' care, amounting to \$204.00.

On account of the polio epidemic, there was only one tonsil case performed for the town of Buxton this year.

The dental clinic was conducted by Dr. Robert Guerin of Biddeford this year. Fifty-two children attended this clinic, all of which were examined. In the clinic the children received twelve cleanings, seventy-four fillings and twenty-one extractions.

Once more I wish to take the opportunity to thank the citizens of the town of Buxton for their interest and support of the hospital.

Respectfully submitted,

Buxton-Hollis Hospital, Inc.

REPORT OF THE FIRE WARD

To the Municipal Officers and Citizens of the Town of Buxton:

I herewith submit the following report of the fire department for the year 1949 and 1950.

During the year the Bar Mills Fire Department answered 44 calls. Eleven were brush and wood, ten chimney, seven house, three automobiles, one camp and two barns.

Forty-four against sixty-nine of last year shows that the citizens are growing more fire conscious, burning leaves, brush and rubbish in the evening when the wind has gone down and the dew is falling.

I have issued more fire burning permits this year than in any two previous years.

During the year, your Bar Mills Fire Department built the addition to the Bar Mills Station with assistance from outsiders. We now need a cement floor and more grading in the driveway and have sixty dollars for that purpose. The addition has had one coat of paint but that and the fire station both need a coat of paint this year. The fire station has an insulated ceiling which will reduce the fuel bill. The department has about one hundred dollars in the treasury and plans to insulate walls and sheathe them this winter.

Some of our money had to be used to repair the roof of the reservoir at Bar Mills Station and the one at Buxton Center needs repairs. I would recommend a cement wall and cement top as at Groveville and Bar Mills. The Dearborn Hill reservoir needs repair on the roof.

Our auxiliary fire department at Chicopee has their tank truck for emergency calls, but need ladders and other equipment. It is unfortunate that Saco River telephone and telegraph lines do not connect with Chicopee, for it would make it easier to make connections in case of fire.

I have appointed as deputy forest fire wardens:

Maurice L. Pinkham

Ernest A. Eaton

Ira A. York

Ralph L. Roberts

Respectfully submitted,

PHILIP S. BROOKS,

Fire Ward.

SUMMARY OF FOREST FIRE PREVENTION AND CONTROL LAWS PASSED IN 1949

Several requests have come to this department for a brief explanation in every day language of the new forest fire set-up between the state and towns.

It should be understood that the following are broad interpretations which in many instances will not apply to the borderline or special case. A copy of the laws may be obtained from the Forestry Department, State House, Augusta, or from your nearest state warden.

Forest Fire Prevention and Control in Organized Towns. The purpose of the laws which became effective on August 6, 1949 was to place forest fire control under the Forestry Department for the entire state. It provides an unbroken chain of command from the town forest fire warden to the forest commissioner. A maximum amount of responsibility and authority remains with each local community but state authority is provided whenever the town system breaks down.

The organized town area has been divided into seven fire control districts with a state district warden in charge of each, employed on a year round basis. These men are responsible to the forest commissioner.

Each state district warden administers the fire protection organization and is responsible for the forest fire prevention-education program in his district. He prepares and revises annually a forest fire plan for his district.

The seven districts are subdivided into twenty-four sub-districts with a seasonal state forest fire warden in charge of each. These seasonal wardens are responsible to their state district forest fire wardens and assist him in carrying out the job of fire prevention and control.

Lookout towermen are directly responsible to the state wardens in charge of the district where the tower is located. They report fires in their range of vision and are responsible for the maintenance of their facilities.

The town forest fire warden is appointed by the forest commissioner with the approval of the local town officials for a three year term. He may be any citizen of the town and is often the fire chief as well as town forest

fire warden. He is responsible for taking immediate charge to control and extinguish forest fires within his town. "The management of town forest fires shall be the responsibility of the town forest fire warden until in the judgment of a state forest fire warden the situation makes it advisable for him to take over." Final authority and responsibility on forest fires shall be that of the state forest fire warden. This makes it necessary that the state warden be advised by the town forest fire warden of each fire in his town as soon as it is discovered. This is an important link in the chain of command from the town forest fire warden to the state warden. If the state warden at the scene of the fire is unable to handle the situation, he requests further aid from his immediate superior.

The Forestry Department shall be the co-ordinating agency whenever or wherever a major forest fire occurs or threatens.

Aid to Towns. Towns, cities, or plantations must pay the costs of controlling and extinguishing forest fires up to an amount equal to 2% of the town tax valuation. The state will reimburse the town for one-half these costs. All forest fire suppression costs above this amount shall be paid by the state. Requests for one-half state reimbursement must be presented to the forest commissioner within 60 days after total extinguishment of the fire or become void.

Slash and Brush Disposal. The responsibility for slash or brush disposal rests entirely on whoever "cuts, causes or permits to cut" forest growth. Such slash or brush must be moved back 50 feet from the shoulder or pavement of any public highway or road and 25 feet from utility right of ways. On complaint, if a real fire hazard exists, slash and brush must be removed 25 feet from forest growth of an adjoining landowner and 100 feet from dwellings.

All slash and brush shall be removed the required distance within 30 days after cutting, or 30 days after being notified to remove it. A violator of this section is liable to a fine of \$100.00 or 30 days imprisonment, or both. He is liable to the same fine and imprisonment every 30 days following his violation until the slash and brush is cleared back the required distance.

Another section of the same act requires that slash and brush resulting from the construction and maintenance of highways and utility right of ways shall be removed from these areas by burning or hauling away. Burning must comply with that section of the law covering burning permits which follows:

Burning Permits. It is unlawful for any person to kindle a fire for purposes of clearing land or burning logs or stumps, roots, brush, slash, fields of dry grass, pasture, and blueberry land except when the ground is covered with snow, without first obtaining a written permit. **Permits are issued by the town forest fire wardens.** A permit is necessary for any person to burn, even on his own land. A burning permit **does not** relieve the person of legal responsibility if the fire is allowed to escape or causes damage to property of another.

Town or Private Dumps. Any dump established and maintained for disposal of rubbish or debris of any nature which might help start or spread

a forest fire shall observe the following prevention measures: A cleared strip 10 feet wide to mineral soil on all sides of the dump; a 100 foot strip outside this mineral soil area where inflammable material such as grass, weeds, brush and slash must be removed. Dead trees and limbs of evergreen trees up to a height of 10 feet from the ground shall also be removed from this 100 foot strip. Dumps with a large, constant, supply of water nearby may be exempted from these provisions by the town and state forest fire wardens if they believe the water supply is sufficient for protection purposes.

Portable Sawmills. A sawmill which uses wood products in log or bolt form and has been on its present location less than one year is a portable sawmill. This mill must pay a \$25.00 license fee before it starts operations. The license expires one year from date of issue and the mill may be moved any number of times within the year without additional cost. However, applications for changes of location must be made to the forest commissioner. If still on the same site one year after the license was issued, a new license is not necessary until the mill moves. Mills must comply with the slash law and comply with the following fire prevention measures: Slash shall be removed a distance of 50 feet in all directions from the mill, sawdust pile, and incinerator; dead trees and branches of evergreen trees up to 10 feet in height must be removed from this area; the sawdust pile area must be clear of all trees and not less than 25 feet from an incinerator; the sawdust pile shall be reasonably free of slabs and edgings; a forest fire tool cache shall be maintained in good condition within 50 feet of the mill.

Yearly Timber Cut Report. All owners or operators of sawmills using wood products in log or bolt form, whether stationary or portable, shall render an annual report to the forest commissioner during the month of January of each year of the amount of softwoods and hardwoods sawed within the state during the preceding calendar year.

BY-LAWS OF THE BAR MILLS FIRE DEPARTMENT

ARTICLE I

Section 1. The name of this Association shall be the Bar Mills Fire Department.

ARTICLE II

Section 1. The membership shall consist of such persons as are members of the Association at the time of the adoption of these By-Laws, together with such persons as shall be hereafter admitted to membership.

Sec. 2. New members shall be twenty-one (21) years of age and shall be elected to membership by the members of the Association on recommendation of the Chief of the department. Upon election new members must sign these By-Laws.

Sec. 3. Each member must attend at least four (4) regular meetings in each calendar year, or be suspended.

Sec. 4. Each member shall be entitled to one vote in all meetings of the Association, upon all questions coming before said meeting, including the election of officers.

Sec. 5. A member may be reinstated at any time by a majority vote of the members present, at any regular meeting of the Association, provided

that he is recommended for such reinstatement by the Chief of the department.

Sec. 6. Any person may become an honorary member of this Association by a two-thirds ($\frac{2}{3}$) vote of the members present at any regular meeting of the Association, but such honorary members shall not be entitled to any vote in the meetings of the Association. The Secretary shall keep a separate list of such members in the record.

ARTICLE III

Section 1. Each active member of this Association shall pay dues of One Dollar and Twenty Cents (\$1.20) a year, payable in advance.

Sec. 2. Any member who is six (6) months in arrears for dues shall be suspended, provided that he has had at least thirty (30) days notice that his dues are in arrears. The Secretary shall be required to send both of the above notices.

ARTICLE IV

Section 1. The annual meeting of this Association shall be held on the first (1st) Sunday in February.

Sec. 2. Regular meetings shall be held on the first (1st) Sunday in each month.

Sec. 3. Special meetings may be held on the call of the President of the Association.

Sec. 4. All members of the Association shall be notified by the Secretary of any regular or special meeting by posting a notice at the Bar Mills Post Office at least seven (7) days before said meeting.

Sec. 5. All meetings shall begin promptly at seven-thirty (7.30) P. M. unless otherwise stated in the call for said meeting.

Sec. 6. Seven (7) members shall constitute a quorum for the transaction of business.

ARTICLE V

Section 1. The officers of this Association shall be a Chief, who shall be ex-officio President of the Association. An Assistant Chief, who shall be ex-officio Vice President of the Association, President, Vice President, Secretary, Treasurer, Executive Committee, two (2) Captains and two (2) Lieutenants.

Sec. 2. Any honorary members may be elected as Honorary President and Vice President at the annual meeting of the Association.

Sec. 3. The Executive Committee shall consist of three (3) members, one (1) of whom shall be elected at the annual meeting for a term of three (3) years. The President and Secretary shall be ex-officio members of this committee.

Sec. 4. All these officers except as provided for election of members of the Executive Committee shall be elected at the annual meeting, and shall serve one (1) year or until their successors are elected.

ARTICLE VI

Section 1. The President and Vice President when acting as such shall perform such duties as are usually performed by such officers in other associations.

Sec. 2. The Secretary shall keep a true and accurate record of the meetings of the Association, and all fires to which the department is called,

shall keep a record of the attendance of members at each meeting, shall notify members of their suspension, shall receive and collect all money due the Association and turn this money over to the Treasurer, receiving from him a proper receipt.

Sec. 3. The Treasurer shall receive all money from the Secretary keeping a true and accurate account of the same and pay it out by vote of the Association at any regular meeting thereof, upon approval by the Executive Committee.

Sec. 4. In an emergency, when a meeting of the Association can not be called the Executive Committee is empowered to act for and in the name of the Association.

ARTICLE VII

Section 1. These By-Laws may be amended at any time at any regular or special meeting by a two-thirds ($\frac{2}{3}$) vote of the members present, provided that such amendments shall have been submitted in writing at any meeting at least thirty (30) days before, and notice of the proposed amendment has been given in the call for said meeting.

OFFICE OF TOWN CLERK

Town of Buxton

West Buxton, Maine, March 11, 1947.

March 8, 1947.

Article 59,

Voted to organize the Bar Mills Fire Department under that name, to have charge and operate the town's fire equipment stationed at Bar Mills for the protection of persons and property to have authority to elect proper officers and make appointments. Also to appoint committees and to add to or reduce its membership with such privileges as may be for the best interests of the department.

It shall be its duty to render service and to co-operate with other fire departments.

A True Copy of Vote.

Attest: R. BLANCHE DEAN,
Town Clerk of Buxton.

SCHOOL REPORT

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the superintending school committee and citizens of the town of Buxton, the annual report is herewith submitted:

The continued support of our schools and the increased appropriations from year to year have indicated that the citizens in our communities want good schools. Under the head of "good schools" we recognize the importance of proper educational facilities, including up-to-date housing facilities, proper equipment, and a well trained and efficient teaching personnel. The type of the citizen of tomorrow depends on the type of education offered. There is no greater waste than the loss of human talent through failure to provide proper educational opportunity. In our high schools there is a great need of courses in vocational training. We have a large group of our youth today, eighteen years of age or under for whom there is no remunerative employment. It is highly essential for society to provide vocational training for this large group to enable them to become more efficient members of society. Undoubtedly it will become increasingly the concern of the state to make such courses available for the students in our schools. These future citizens must find their way in the complex world of the future. In its broad purpose, a specific aim of vocational training is to provide information and guidance in selecting a vocation; and then training for entering upon and making-successful progress in some field of useful employment.

There will be a tendency in the future to remove some of the inequalities in education, so that the student in the smaller community will have in as far as possible the same educational privileges as are offered in city school systems. It is thought that in the near future Federal participation in furnishing financial assistance for vocational training will remove some of these inequalities.

Teacher Preparation and Training

A longer term of preparation of 4 years is now required at Gorham Teachers' College in training elementary school teachers. This increased time of training will prepare teachers more adequately for the responsibilities of the classroom. In order to be certified a certain group of teachers must take additional

work at summer school or in service training through courses offered in the school systems of surrounding towns or through correspondence courses or extension courses at the University of Maine or other institutions. Such courses will be required for certificate renewal until these teachers have secured a certain number of credit hours in meeting minimum requirements. As a further incentive for completion of such courses a subsidy of \$50.00 may be paid any teacher who secures 6 credit hours in education. A town paying such subsidy is reimbursed by the State. No profession requires greater native ability and more careful training than teaching. No calling requires more understanding and more highly specialized knowledge and skill than teaching. Those who teach should represent the nation's best talent. Because the abilities of the teacher mould to a great extent the nation's life. Unfortunately there is a tendency for many of the best trained teachers, and those with a long term of successful experience, to concentrate in the large cities where there is better professional opportunity as well as better salaries to attract them.

Support of Schools

Many towns in the State during the last few years have found it necessary to increase their appropriations for education. Also increased allocations of the State school fund have been made available by legislative enactment. Yet the continual increase in cost of administration from year to year has tended to nullify such increases. So overdrafts have occurred in school accounts and again increased appropriations have been necessary. The 1949 overdraft in the school accounts was paid by the increased appropriation of this year. The new plan of paying teachers in 26 payments resulted in reduced expenditures for teachers' salaries during the fall term. So a small unexpended balance has resulted.

It is thought that another teacher in the high school would improve the efficiency of the work in carrying out the school program and extra curricular activities. There is no longer a shortage of secondary school teachers. However an additional appropriation would be necessary if another teacher were employed.

The reduction in the State school fund this year was in part restored by recent legislative enactment. The amount of State

money restored on the December, 1949, allocation was:

State school fund,	\$744.18
For agriculture,	106.45

This allocation of State money is appreciated. However, it is evident that until such time as larger allocations are made available by increased State resources through a new system of taxation that a large part of the support of our schools must come from local taxation.

Repairs

A large amount of repair work was accomplished this year. The largest single item was the shingling of the Bar Mills school building. The contract price for this work was \$525.00.

New window shades were purchased for the Dearborn Hill School, the building was partly rewired and new electric light fixtures were installed, and the interior was painted in light attractive colors.

Much of the work was that of making routine repairs, setting glass, glazing windows and replacing window cords. Considerable work was necessary on the plumbing systems at the high school and at Bar Mills; part of the roof at Bog Mill was shingled; the walls and ceiling in the entry at West Buxton repaired and painted; a new fence purchased for part of the lot at Dearborn Hill and the exterior finish on the Salmon Falls building painted.

Some of the one room buildings are in need of painting and some repair work. However it seems desirable to make only the most urgent repairs on these buildings at present in view of the possibility of working out a plan for consolidation at an early date.

Hanson Fund

The town is very fortunate in having the Hanson Fund available to furnish the schools with additional educational facilities. The pupils are provided with certain advantages that otherwise would not be available. By use of this fund we have been able to furnish our elementary schools with excellent playground equipment.

The largest single item of expenditure this year was the purchase of a new electric refrigerator for the high school cafeteria. This purchase is in keeping with the purpose of the Hanson Fund to provide the schools with equipment that other-

wise would not be available. A reduction in price was obtained for the school. The total expenditures from the accumulated interest on the fund this year amounted to \$461.88.

New Plan for Grades at Bog Mill and West Buxton

In view of the overcrowded conditions in the Bog Mill and West Buxton Schools it was decided to reclassify the pupils attending these schools so that all pupils in this area in grades 1-4 would attend the West Buxton School; and that all upper grade pupils—grades 5-8, would attend the Bog Mill School. This plan has worked out in a very satisfactory manner. With four grades for each teacher very satisfactory work can be accomplished with more time for classes.

Webster and Dearborn Hill Schools

It was found that this fall there would be an overcrowded condition in the Webster School at Groveville. In order to relieve this condition the following plan was carried out. Most of the pupils at Groveville were in the lower grades, so it was decided to have all pupils in the Groveville area in grades 1-4 attend the Webster School while all pupils in the vicinity—in the upper grades—would attend the Dearborn Hill School where the enrollment was small.

There has been a slight additional cost for conveyance in carrying out this program but the results have been very satisfactory. This plan has relieved the teachers of a heavy teaching load and provided a more satisfactory grouping according to age levels.

From this arrangement we can realize the advantages of a consolidation program whereby a teacher would have only two grades.

The co-operation of the parents in carrying out this program has been very much appreciated.

Painting High School and Bar Mills Buildings

The high school and Bar Mills buildings have needed painting for some time. During the war it was difficult to secure paint of good quality and painting costs were high. The work of painting these buildings was done in a very satisfactory manner, with a greatly improved appearance. The contract price was \$1,500.00. There was an additional cost for painting the fence at Bar Mills and other items of work.

Insurance on School Buildings

In view of the greatly increased building costs and the cost of replacement of school buildings today, it was decided to place additional insurance on the high school and Bar Mills school buildings. The insurance coverage on these buildings now is Bar Mills \$30,000.00, and the high school building \$40,000.00.

High School Laboratory Needs

The efficiency of the work in science courses in high schools depends to a great extent on good equipment. Towns are required to purchase \$75.00 worth of equipment annually. This year we have purchased some physical apparatus for the laboratory. We need additional equipment but we are lacking in suitable storage space. A new building with ample storage space and new laboratory tables for experiments would greatly improve the efficiency of the work.

Overtaking and Passing School Buses—Making the Highways Safe for School Children

To Drivers of Motor Vehicles:—There seems to be a lack of information in regard to the 1949 law regarding OVERTAKING AND PASSING SCHOOL BUSES. The law is as follows:

"The driver of any motor vehicle overtaking any school bus, as defined in Chapter 37, P. L. R. S., which has stopped on said way for the purpose of receiving or discharging any school children shall stop the motor vehicle immediately before passing the school bus, but may then proceed past said school bus at a speed which is reasonable and prudent, not exceeding 10 miles per hour, and with due caution for the safety of the children."

We need the co-operation of the public in protecting the lives of the pupils. Your help in this important matter will be greatly appreciated.

Respectfully submitted,

GEORGE E. JACK,
Superintendent of Schools.

WARRANT FOR ANNUAL TOWN MEETING

York, ss.

To Helen J. Libby, a Constable of the Town of Buxton, in the
County of York and State of Maine. Greetings.

In the name of the State of Maine you are hereby requested to notify and warn the inhabitants of the said Town of Buxton, qualified to vote in town affairs, to meet in the town house of Buxton on Monday, the 6th day of March, A. D. 1950 at 10 o'clock A. M., to act on the following articles.

Article 1. To choose a moderator to preside at said meeting.

Art. 2. To see if the town will vote to accept the reports of the several town officers.

Art. 3. To see if the town will vote to continue the present system of voting as adopted at the special town meeting of June 11, 1934, Article 7.

Art. 4. To choose town officers for the ensuing year.

Art. 5. To see if the town will vote to grant and raise the sum of \$4,600.00 to repay the Casco Bank and Trust Co. for loans granted at the special town meeting of December 29, 1949, said loans being \$2,500.00 for support of poor, \$100.00 for insurance on basketball team, and \$2,000.00 for highway equipment repairs.

Recommended by Budget Committee. Unanimous vote.

Art. 6. To see if the town will vote to grant and raise the sum of \$2,000.00 for payment of one year's note for construction of Salmon Falls bridge.

Recommended by Budget Committee. Unanimous vote.

Art. 7. To see how much money the town will vote to grant and raise for school building construction, in addition to money already raised and appropriated for this purpose this sum of money to be held with other funds appropriated for this purpose as a school building fund, such fund to be expended at some future date for the erection of a school building to pro-

vide for secondary school education; or some other type of school building construction, this sum of money to be invested by the selectmen and held until the expenditure of the same shall be voted by the town, then this sum of money and other funds accumulated for this purpose shall be expended as directed by a vote of the town and under the oversight of a building committee composed of the three selectmen and the three members of the superintending school committee, and six other members to be appointed from the floor at an annual town meeting or at a special town meeting called for this purpose.

Superintending School Committee recommends \$25,000.00.

Budget Committee recommends \$25,000.00.

Art. 8. To see if the town will vote to accept the report of the school survey committee.

Recommended by Budget Committee. Unanimous vote.

Art. 9. To see if the town will vote to appoint a school building committee, as provided under the warrant for the annual town meeting held March 7, 1949, committee to be composed of the three selectmen and the three members of the superintending school committee and six other members to be appointed from the floor.

Art. 10. To see if the town will vote to authorize the school building committee to select and secure options on a suitable site for a high school building.

Recommended by Budget Committee. Unanimous vote.

Art. 11. To see if the town will vote to authorize the school building committee to secure plans, working drawings, and specifications for a suitable high school building, and to obtain bids for the construction of the same, and to report at the next annual town meeting or at a special town meeting called for this purpose.

Recommended by Budget Committee. Unanimous vote.

Art. 12. To see if the town will vote to authorize the school building committee and the selectmen to pay the necessary expenses for carrying out the provisions of the two preceding articles from the school building fund.

Recommended by the Survey Committee and Budget Committee.

Art. 13. To see if the town will vote to grant and raise the sum of \$38,000.00 for the support of high school and elementary schools, for teachers' salaries, janitors, fuel, textbooks and supplies, and for the elementary school conveyance for the ensuing year.

Recommended by Budget Committee. Unanimous vote.

Art. 14. To see if the town will vote to grant and raise the sum of \$2,000.00 for school repairs and equipment for the ensuing year.

Recommended by Budget Committee. Unanimous vote.

Art. 15. To see if the town will vote to grant and raise the sum of \$500.00 for music in the schools for the ensuing year.

Budget Committee recommends \$500.00. Unanimous vote.

Art. 16. To see if the town will vote to grant and raise the sum of \$1,100.00 for insurance on school property for the ensuing year.

Recommended by Budget Committee. Unanimous vote.

Art. 17. To see if the town will vote to grant and raise the sum of \$800.00 for the cafeteria in the high school for the ensuing year.

Recommended by Budget Committee. Unanimous vote.

Art. 18. To see if the town will vote to grant and raise the sum of \$2,000.00 for the course in agriculture for the ensuing year.

Budget Committee recommends \$2,000.00. Unanimous vote.

Art. 19. To see how much money the town will vote to grant and raise for athletic insurance for the ensuing year.

Budget Committee recommends \$300.00. Unanimous vote.

Art. 20. To see if the town will vote to grant and raise the sum of \$300.00 for repairs and equipment of the observation post.

Budget Committee recommends \$300.00. Unanimous vote.

Art. 21. To see if the town will vote to grant and raise the sum of \$3,500.00 for the Bar Mills Fire Department for the ensuing year, including repairs to building, upkeep of apparatus, salaries and insurance for the members of the department and

all persons working under orders of the fire chief, also the cost of fuel and electricity for the building.

Recommended by Budget Committee. Unanimous vote.

Art. 22. To see if the town will vote to grant and raise the sum of \$500.00 for the Chicopee Fire Department, to be used to purchase additional equipment for the fire truck and to help heat the fire house. Petition of Geradus Van Betuw and 24 others.

Recommended by Budget Committee. Unanimous vote.

Art. 23. To see if the town will vote to grant and raise the sum of \$1,000.00 to rebuild with cement the present fire reservoir at Buxton Center.

Budget Committee recommends \$1,000.00. Unanimous vote.

Art. 24. To see if the town will vote to install four street lights on the road between West Buxton and Kimball's Corner, to be located at each of the following intersections: at the corner of the Warren Road, Bog Mill Corner, the intersection near the residence of Ralph Waterman and at Kimball's Corner. Petition of John M. Dunn and 27 others.

Not recommended by Budget Committee. Unanimous vote.

Art. 25. To see what sum of money the town will vote to grant and raise for installation and maintenance of street lights for all or part of the following roads, beginning where the present street lights end south of West Buxton Village on the river road near the watering trough, thence along said river road to a point nearly opposite the residence of Mrs. Geneva Boulter, thence along the Shadigee to Dearborn's Hill Road to a point opposite the residence of Earl Parsons. Petition of Ralph Haley and 23 others.

Not recommended by Budget Committee. Unanimous vote.

Art. 26. To see what sum the town will vote to grant and raise for street lights for the ensuing year.

Budget Committee recommends \$1,350.00. Unanimous vote.

Art. 27. To see how much money the town will vote to grant and raise for a free bed and general operating expenses at the Buxton and Hollis Hospital, Inc.

Open for discussion.

Art. 28. To see if the town will vote to grant and raise the sum of \$300.00 for the health council for the ensuing year. Petition of Pauline Davis and 27 others.

Recommended by Budget Committee. Unanimous vote.

Art. 29. To see if the town will vote to raise and appropriate the sum of \$100.00 to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, attractions and advantages of the State of Maine in accordance with the provisions of Chapter 80, Section 95, of the Revised Statutes of Maine.

Art. 30. To see if the town will vote to appropriate the sum of \$300.00 to co-operate with the Maine Forest Service and the Federal Government in the control of the White Pine Blister Rust in accordance with Revised Statutes, Chapter 32, Section 54.

Not recommended by Budget Committee. Unanimous vote.

Art. 31. To see what sum of money the town will vote to grant and raise to care for soldiers' graves for the ensuing year, said graves being in Lower Corner, Buxton Center, Groveville, Chicopee, and the so-called Waterman cemeteries, also in many old private yards. By request of the several cemetery associations.

Budget Committee recommends \$300.00. Unanimous vote.

Art. 32. To see if the town will vote to grant and raise the sum of \$200.00 to increase the salary of the town treasurer, the present pay being \$500.00. This increase will compensate and make equivalent in part the pay to the town treasurer of former years. Petition of C E. Wood and 30 others.

Left to vote of the town.

Art. 33. To see if the town will vote to grant and raise the sum of \$5,200.00 for officers' salaries for the ensuing year.

Recommended by Budget Committee. Unanimous vote.

Art. 34. To see what sum the town will vote to grant and raise for miscellaneous expenses for the ensuing year including officers' bonds.

Budget Committee recommends \$3,000.00. Unanimous vote.

Art. 35. To see if the town will vote to grant and raise the sum of \$100.00 more or less, to repair and gravel the sidewalk at Bar Mills commencing near the residence of Charles Wood and extending to the residence of Lucy A. Trask. Petition of Fred Totman and 26 others.

Budget Committee recommends \$100.00 to be supervised by the selectmen, making the beginning of a permanent sidewalk starting at the library down over the hill.

Art. 36. To see what sum the town will vote to grant and raise to continue improvements at Weymouth Park, Buxton Lower Corner.

\$300. Recommended by Budget Committee. Unanimous vote.

Art. 37. To see if the town will vote to grant and raise the sum of \$2,256.00 for the construction of State aid highway, No. 4, for the ensuing year.

Recommended by Budget Committee. Unanimous vote.

Art. 38. To see if the town will vote to grant and raise the sum of \$4,500.00 for the maintenance of town highways for the ensuing year.

Budget Committee recommends \$ 4500.00. Unanimous vote.

Art. 39. To see if the town will vote to grant and raise the sum of \$1,000.00 for bush removal for the ensuing year.

Recommended by Budget Committee. Unanimous vote.

Art. 40. To see how much money the town will vote to grant and raise for bridges and culverts for the ensuing year.

Budget Committee recommends \$2,000.00. Unanimous vote.

Art. 41. To see if the town will vote to grant and raise the sum of \$5,000.00 for snow and ice removal for the ensuing year.

Budget Committee recommends \$5,000.00. Unanimous vote.

Art. 42. To see how much money the town will vote to grant and raise for repairs and insurance on highway and snow equipment for the ensuing year.

Budget Committee recommends \$2,500.00. Unanimous vote.

Art. 43. To see how much money the town will vote to grant and raise for the construction of State aid highway, No. 11, known as the Waterman Road.

\$2,000 Recommended by Budget Committee.

Art. 44. To see how much money the town will vote to grant and raise for the construction of the road from Groveville to Gorham town line, known as Church Hill Road.

\$1,000. Recommended by Budget Committee.

Art. 45. To see how much money the town will vote to grant and raise for the support of poor for the ensuing year.

Budget Committee recommends \$5,000.00. Unanimous vote.

Art. 46. To see if the town will grant and raise \$1,000.00 for the selectmen to use to pay for labor when aid is requested.

Recommended by Budget Committee. Unanimous vote.

Art. 47. To see how much money the town will vote to grant and raise for mothers' aid and aid to dependent children for the ensuing year.

Budget Committee recommends \$1,000.00. Unanimous vote.

Art. 48. To see what action the town will take in regard to the proposed new building for highway equipment at Buxton Center and to raise a sum of money to be expended together with the unexpended balance of \$2,391.50 assessed in 1948.

Budget Committee recommends \$2,000.00. Unanimous vote.

Art. 49. To see if the town will vote on the following article approved by the Budget Committee: That all excise taxes be ear-marked for an equipment fund towards the purchase of new trucks, etc. The sum to be expended by vote of the town at a regular or special town meeting.

Art. 50. To see how much the town will vote to grant and raise for permanent road construction in the whole town, using the results of the survey made by the road survey committee as a priority list for sequence of building.

Budget Committee recommends \$10,000.00. Unanimous vote.

Art. 51. To see if the town will vote to grant and raise the sum of \$1,000.00 annually and until completed for the construction of highway leading from farm of Hurlin Smith to Emery Stevens' store. Petition of Emery C. Stevens and 55 others.

Not recommended by Budget Committee. To be explained at town meeting.

Art. 52. To see if the town will vote that the road known as the Buxton Road from Bar Mills through Salmon Falls to the Saco line at Joy Valley be built as a State aid road and raise the sum of \$2,000.00 for the same. Petition of Gibeon E. Bradbury and 101 others.

Not recommended by Budget Committee. To be explained at town meeting.

Art. 53. To see if the town will vote to grant and raise the sum of \$2,000.00 to completely resurface and tar the so-called Rankin Road beginning at the fountain in Bar Mills Village and continuing to the Snell Road. Petition of James Peck and 34 others.

Not recommended by Budget Committee. To be explained at town meeting.

Art. 54. To see if the town will vote to raise and appropriate the sum of \$700.00 more or less for repair, grading, and surfacing of the Berry Road, so-called, leading from Route 22 at Duck Pond by the homes of Delwin Collomy and Rufus Walker to the house of Mr. Reynolds. Petition of Rufus Walker and 51 others.

Not recommended by Budget Committee. To be explained at town meeting.

Art. 55. To see if the town will vote to grant and raise the sum of \$1,000.00 to gravel and repair the road from Dearborn's Hill to the black road at the old Waterman Mill site. Petition of Charles E. Pierce and 45 others.

Not recommended by Budget Committee. To be explained at town meeting.

Art. 56. To see if the town will vote to grant and raise the sum of \$500.00 more or less to gravel and repair the town farm road commencing at the Baker place, so-called, and extending to the town farm driveway. Petition of Mrs. Mary Watson and 14 others.

Not recommended by Budget Committee. To be explained at town meeting.

Art. 57. To see if the town will vote to grant and raise the sum of \$1,000.00 to construct a road under State supervision to begin at Kimball's Corner and extend through Chicopee to the Gorham line.

Budget Committee recommends \$1,000.00. Unanimous vote.

Art. 58. To see if the town will vote to raise the sum of \$500.00 to gravel the road going west from Virgil Millikens toward William Wrights. Petition of Elsie Johnson and 25 others.

Not recommended by Budget Committee. Unanimous vote.

Art. 59. To see if the town will authorize the selectmen or other authorized officers to procure a temporary loan or loans in anticipation of taxes for the purpose of paying obligations of the town, such loan or loans to be paid during the current municipal year out of money raised during said current municipal year by taxes.

Recommended by Budget Committee. Unanimous vote.

Art. 60. To see if the town will vote to authorize the selectmen and treasurer to sell and convey any or all property acquired by tax sale according to their best judgment, and issue quitclaim deeds thereon.

Recommended by Budget Committee. Unanimous vote.

Art. 61. To see what sum of money or per cent of collections the town will vote to pay the tax collector for both regular and excise taxes.

Budget Committee recommends 1% on regular tax and \$ on excise tax. Unanimous vote.

Art. 62. To see what action the town will take in regard to charging interest on unpaid taxes.

Art. 63. To see if the town will vote to grant and raise the sum of \$50.00 for the boys' and girls' agricultural clubs.

Recommended by Budget Committee. Unanimous vote.

Art. 64. To see if the town will vote to grant and raise the sum of \$100.00 for the Hutchinson-Boulter Post for Memorial Day.

Recommended by Budget Committee. Unanimous vote.

Art. 65. To see if the town will vote to grant and raise the sum of \$125.00 to be divided between the Bar Mills, West Buxton and Salmon Falls libraries.

Recommended by Budget Committee. Unanimous vote.

Art. 66. To see what action the town will take in regard to a budget committee.

The selectmen give notice that they will be in session on Saturday, March 4th, from nine o'clock A. M. to five o'clock P. M. for the purpose of correcting the list of voters.

The polls will be open at ten o'clock in the forenoon and will close at seven o'clock in the afternoon.

Fail not to make due service of this warrant and return your doings thereon at the time and place of meeting.

Given under our hands this 20th day of February, 1950.

KENNETH KNIGHT,

FRED W. SMITH,

EVERETT W. EMERY,

Selectmen of Buxton.
